

## Listing Grabber cards Mailing Service **DISCOUNT Pricing**

**What this form is for:** this form is used to mail our highly specialized, **Listing Grabber style** postcards designed to identify sellers before they come on the market so you can get the listings first **at highly discounted rates**. By completing and returning this form we will mail them automatically for you throughout the year, saving you time and money. Please note: these are standard sized postcards (4 x 6), the same as we mail with our agents.

**About these postcards:** these postcards use a unique URL for each homeowner mailed. When a homeowner thinking about selling responds by visiting the website, our *StealthTracker™* technology pinpoints the exact homeowner and emails you their information. These postcards work best when mailed *in conjunction with* other postcards throughout the year (such as Home Seller Secrets or Just Sold postcards). These can be mailed every 6 weeks (8x a year) or every 4 weeks (12x a year).

**Minimum 150 addresses.**

Fees above are for **6 month term agreement** (cancel at the end of any 6 month term). Month-to-month option not available. Listing Grabber cards will rotate through all 4 styles unless requested otherwise.

\* **NOTE:** The “monthly price per address” is the price we bill you each month for our service. For example, if you select the “every 6 weeks (8x a year)” mailing option, then we multiply the postcard price times 8 mailings for the year, and divide that by 12 months to get the monthly rate we bill you for our service.

\* **NOTE:** All fees stated above are our discounted rates when paying by automatic **checking account** draft. If paying by **credit card** please use our regular rates which are approximately 4% higher.
